Found Dead.— Over two weeks ago, Mr. I. if, Morris, civil engineer, who had been a sub-contraction of the Little Rock railroad over the river, left the place where the men were at work saying that he was going to look at the tood. He dad not return, last even ually his horse came back without the rider. Fears for the safety of Morris induced a search, and the remains of the unfortunate man were found last wook at Hank Fish creek. How be had come by
